

**10 Canopy by Hilton Osaka Umeda**

Canopy by Hilton is a premium lifestyle brand that is making its debut in Japan. In addition to modern designer rooms, its lobby floor offers all-day dining and an outdoor terrace bar. Meanwhile, a café overlooks the park on the first floor, while there are also opportunities to participate in numerous activities at GRAND GREEN OSAKA.

**11 VS.**

This cultural apparatus, featuring unique architectural space that includes an exhibition studio with 15-meter-high ceilings, hosts global exhibitions and innovation projects. By bridging diverse cultures — such as technology and liberal arts as well as traditional cultures and innovative ideas — it creates a meaningful impact on both visitors and society at large.

**12 JAM BASE**

By attracting diverse types of people, JAM BASE aims to generate ideas and innovations. Floors 1 through 9 of the North Tower—its main base—include a four-story atrium facing the park for members to mingle, while additional areas include rental offices and co-working spaces.

**13 PLAT UMEKITA**

This space provides hints for enjoying the city and the park to the fullest extent. Through exhibitions, workshops, and various types of events combining art and culture, children and adults alike can enjoy themselves while also experiencing and sharing the new values of ethics, sustainability and well-being.

**8 ROHTO HEART SQUARE UMEKITA**

ROHTO HEART SQUARE UMEKITA may be described as the symbol of the spacious 45,000-meter Umekita Park. Conveniently accessible from just in front of JR Osaka Station, visitors here are invited to attend seasonal events while also freely enjoying the venue in accordance with their own personal style.

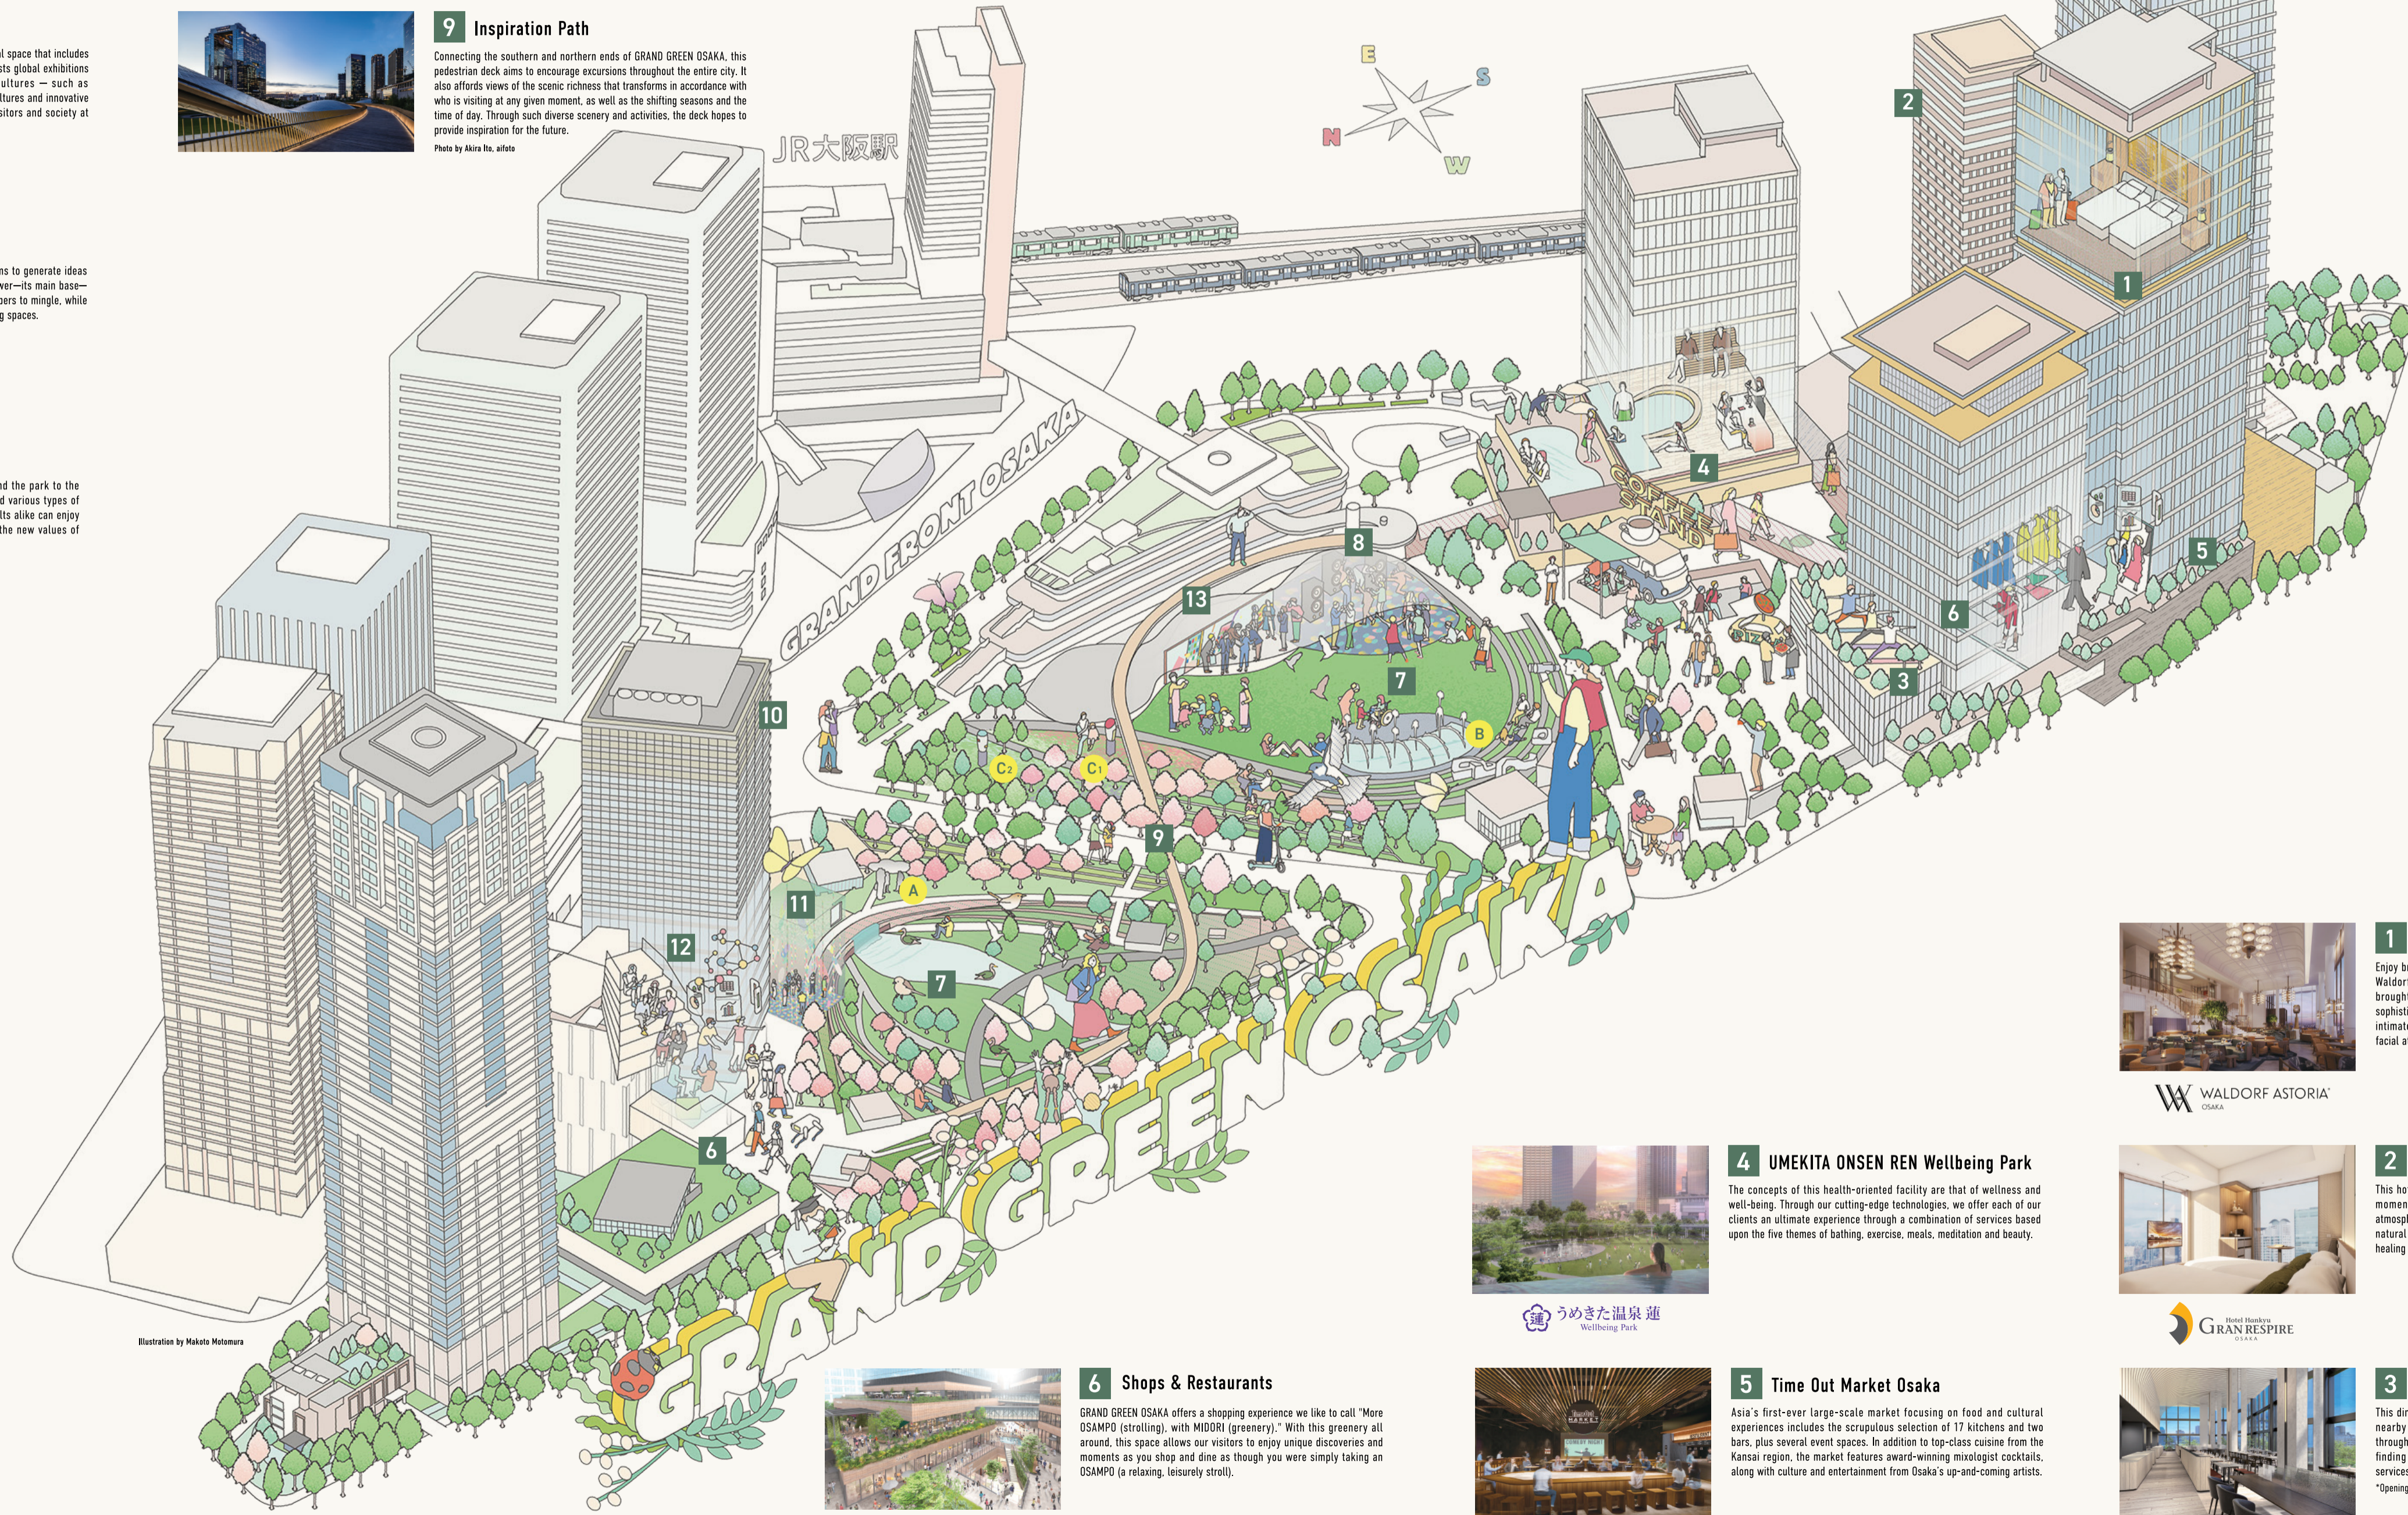

**9 Inspiration Path**

Connecting the southern and northern ends of GRAND GREEN OSAKA, this pedestrian deck aims to encourage excursions throughout the entire city. It also affords views of the scenic richness that transforms in accordance with who is visiting at any given moment, as well as the shifting seasons and the time of day. Through such diverse scenery and activities, the deck hopes to provide inspiration for the future.

**7 Umekita Park**

This is one of the world's largest urban parks that connects directly to a large-scale terminal station. Consisting of an urban-style south park and a nature-infused north park\*, this bustling venue aims to become a special community gathering spot by creating a space for both everyday and special experiences.

**6 Shops & Restaurants**

GRAND GREEN OSAKA offers a shopping experience we like to call "More OSAMPO (strolling), with MIDORI (greenery)." With this greenery all around, this space allows our visitors to enjoy unique discoveries and moments as you shop and dine as though you were simply taking an OSAMPO (a relaxing, leisurely stroll).

**4 UMEKITA ONSEN REN Wellbeing Park**

The concepts of this health-oriented facility are that of wellness and well-being. Through our cutting-edge technologies, we offer each of our clients an ultimate experience through a combination of services based upon the five themes of bathing, exercise, meals, meditation and beauty.

**5 Time Out Market Osaka**

Asia's first-ever large-scale market focusing on food and cultural experiences includes the scrupulous selection of 17 kitchens and two bars, plus several event spaces. In addition to top-class cuisine from the Kansai region, the market features award-winning mixologist cocktails, along with culture and entertainment from Osaka's up-and-coming artists.

**1 Waldorf Astoria Osaka**

Enjoy breathtaking panoramic views at Osaka's premier luxury hotel, the Waldorf Astoria Osaka. The hotel's signature personalized service is brought to you alongside elevated dining that tantalizes the senses, sophisticated afternoon tea experiences, and imaginative cocktails in an intimate Jazz Age-style bar. Unwind and rejuvenate with a massage or facial at our world-class spa.

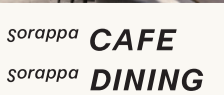

**2 Hotel Hankyu GRAN RESPIRE OSAKA**

This hotel offers a next-level experience of urban relaxation. From the moment you enter the hotel's grounds, its comfortable and stylish atmosphere will make you forget that you are in the city. Its intimate and natural space is something of a playground for adults, with a sense of healing calm that will energize you for whatever comes next.

**3 sorappa**

This dining and café space invites relaxation against the backdrop of a nearby park and the expansive sky above. Enhance your well-being through interpersonal interactions, stimulation of intellectual curiosity, finding new inspiration, and indulging in healthy cuisine. A menu of services also provides support for a multitude of uses.
